

## CORONAVIRUS INFORMATION

With the ongoing COVID-19 situation we wanted to assure everyone that the well-being of our customers, staff and Islay community is our absolute priority. We are closely monitoring the guidance from the government and continue to operate with the highest hygiene standards.

We continue to be open and also offer our takeaway service. We will keep you updated with any new information we have.

Take care, be safe and we hope this situation passes quickly. If you have any questions at all, please just ask.
